

REMARKS

Claims 1-8 are pending in the application. Claim 7 has been cancelled from the application, and new claims 9-12 have been added by this amendment. Therefore, claims 1-6 and 8-12 are at issue.

This preliminary amendment adds no new matter. The specification has been amended to insert a cross reference to related applications. New claims 9-12 find support in originally filed claims 2, 3, 5, and 8. The claims have been amended to delete multiple dependencies and improve the form of the claims.

It is submitted that the claims are in a proper form and scope for entry. An early and favorable action on the merits is respectfully requested.

Should the examiner wish to discuss the foregoing, or any matter of form in an effort to advance this application toward allowance, the examiner is urged to telephone the undersigned at the indicated number.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN LLP
